Composer: Traditional

Arranger: Dewagtere, Bernard

Copyright: Copyright © Dewagtere, Bernard

Instrumentation: Choral SA, piano or organ

Style: Traditional

Comment: Cherry blossom is a Japanese traditional song (Sakura sakura) primarily played on shakuhachi (bamboo flute). During World War II, the sakura being an enduring metaphor for the ephemeral nature of life, was used to motivate the Japanese pilots. They would paint them on the sides of their suicide planes. Their souls were reincarnated in the blossoms.
