### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

<b>Comment:</b>	The French Suites, BWV 812–817, are six suites which Johann Sebastian Bach wrote for the clavichord (harpsichord or clavichord) between the years of 1722 and 1725. Although Suites 1–3 are typically dated to 1722, it is possible that the first was written somewhat earlier. The suites were later given the name French Suites by recorded usage by Friedrich Wilhelm Marpurg in 1762). The English Suites received a later appellation. The name was given online)
