About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music. I am relearning the piano and my first love; the pipe organ. I am active in our church (the Sierra Vista United Methodist Church: [http://www.lovesvumc.com/lovesvumc/Welcome.html](http://www.lovesvumc.com/lovesvumc/Welcome.html)) and am eager to provide spiritual sustenance such as harp, organ and handbells arrangements.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

He composed the cantata in his first year in Leipzig, when he first performed his St John Passion, for the First Sunday after Easter, called Quasimodogeniti. The prescribed readings for that Sunday were from the First Epistle of John, our faith is the victory (1 John 5:4–10), and from the Gospel of John, the appearance of Jesus to ... (more online)</td>
