qui veut s'élever (la dernière place)

About the artist

Lovers of music, I started in the choir to better understand what is really music. This is how I joined the great choir of IUT Douala (CHORIUT) in which I was president. In this choir I learned the strong basics of music with Maestro Liboir Epoune and Arnel Mimbiang. Subsequently I continued in the choir catholic St John Paul II or with Maestro Blaise I learned to read the solfege and thanks to him I opened this page to share with you the fruits of my compositions.
