### About the artist

Born 1987, I began playing guitar at the age of 14 and soon after I began composing within the Heavy Metal idiom. In 2006 I began my undergraduate studies in Music Business at Millikin University. In the fall of 2006 I began to compose piano and instrumental music; and my style has evolved to encompass a wide range from Heavy Metal to Impressionism and even 12 tone serialism. within these different styles I bring what I have emotionally into my work to make it my own.

Enjoy,

Danny Buckley
