

Gorden Gibson

Arranger, Composer, Teacher

United States (USA), Gilroy

About the artist

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

D.C. al Fine

The image shows a musical score for guitar, consisting of four systems of music. Each system includes a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The music is written in a style that combines standard notation with guitar-specific elements like tablature and chord diagrams. The tablature consists of numbers 0-4 on the strings, and chord diagrams are shown as small grids above the staff. The piece is divided into measures, with measure numbers 25, 29, 33, and 37 marked at the beginning of their respective systems. Above the first system, the chords III, I, II, I, III, I, BIII, and II are indicated. Above the second system, III and I are indicated. Above the third system, III, I, BI, II, III, and I are indicated. Above the fourth system, II, III, I, III, and VII are indicated. The piece concludes with the instruction 'D.C. al Fine'.
