About the artist

I'm not big on writing this sort of stuff, but I'll say it now I take requests for any instrument. My arrangements will always be free, but because I work solo on these a donation is always helpful.

I am willing to learn a song for requests and even arrange it, but I'm not that good at actually writing songs. If there's a song you want that hasn't been written yet please direct me to a good composer to assist me.

I guess that's all. Thanks for reading, and I hope you like my arrangements.

About the piece

Title: Circus Monster [French Horn]

Composer: Luka, Megurine

Arranger: Brianna, Roberson

Copyright: Public Domain

Publisher: N/A

Instrumentation: Horn in F

Style: Pop

Comment: I've never worked with a brass instrument before. It is the same as my old "Circus Monster" file but if you play any horn that is in F, this is very high and while slow there are numerous sharp notes that weren't in the original. If you play horn (French or otherwise) you see that I made mistakes, let me know and maybe we can correct them together. This was a request for stirlingite.free-musescore.com so I hope it turned out decent.
