## SNAP The Planet (Thème principal)

### About the artist

Autodidact composer, i was born in 1969 in a musician's family. I tried several instruments before i discover the piano. I learned by myself in my room musical theory, reading a lot of books. Stage player for a long time in actual music, i decided, near my 40's, to dedicate myself to composition and arrangement. You can listen to my composition on my website, i'm open to critics and advices, etc...

Sorry for my english !
