Eternal Source of Light Divine Haendel, Georg Friedrich

About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: "Eternal Source of Light Divine" è la prima delle sette stanze della cantata profana "Ode for the Birthday of Queen Anne", composta da Haendel su libretto di Ambrose Philips. La regina, pur non potendola sentire perché troppo occupata, concesse a Haendel una pensione annua di duecento sterline, per tutta la vita.
