About the artist

When I am arranging one note after another,
I am always entangling the note with my dream
and pursuing an ideal world of beauty.

One must not be suspicious of the fool
who takes pleasure in music and sounds,
But rather measure how well
he sharpens his spirit by them.

Comment: "Vira" is an Old Dance from the traditional music heritage of Portugal. I did the Variations in 1993 for a ballet performance, and it was played by 2 flutes a Bass and some percussion. Now here is the Horn duet Version, I hope you like it.
