

# manuel Mahé

Arranger, Composer, Interpreter

France

## About the artist

I learned music like everyone else ... at school.

I also took private lessons music theory and amplified guitar (Rock'n roll).

At the same time, I started in a very young classical guitar, formed a band first as singer and guitarist. I left this band in 1980 after an evening on stage.

Currently, I compose or make personal arrangements basically for my videos from my Youtube channel.
