Tierce en taille (Extrait du Livre d'Orgue)

About the artist

After a career as a teacher, I now devote myself to writing music, especially for the organ and the piano which are my instruments of choice. My ideal as a composer is to find simple and typed melodies, supported by a careful harmonization. I attempt to develop a personal language. My music is cordially offered to those who do me the honor of being interested in it. I welcome all comments as well as all the private recordings MP3 that will be sent to me. Thank you. www.musimem.com
