About the artist

A guitar teacher for 40 years, I have written several works for my students and for various performances. The set of these pieces is intended for the near dense music. I mostly wrote for 1 cycle students because I never found scores easy enough for beginners, so I wrote for the second cycle. I put these scores on free scores to benefit teachers and students who are looking for easy and free scores. The accompaniment guitar parts can be played by the teacher or a student with a good command of chords and arpeggios. Dont leave me your comments, and a little cure if you liked it. We do not for all public services declare my scores to the SACEM Thank you PS If possible, as soon as you are ready, make a video of the composition you have chosen and post there on Youtube . I would be very happy to lace new interpretations. Good music to all.
