Fiddler in urban folky band and Bastacosi Duo.

<http://www.urbanfolky.fr>

<http://www.bastacosi.net>

Learning how to play fiddle or electric violin can be approached in different ways, the way that I am proposing here is born from my personal experience because i have learned without any teacher and i had to find tricks to don?t waste time. Today i play electric violin or fiddle on stage with many other musicians and i have decided to share my blue fiddle method.
