

Gorden Gibson

Arranger, Composer, Teacher

United States (USA), Gilroy

About the artist

I compose and arrange music for the guitar as well as conduct sing-alongs and perform at retirement homes and hospitals. I hope you are enjoying my compositions and arrangements. My wish is that you share all of your music by volunteering to perform for the underprivileged and play in hospitals and retirement homes for seniors and the disabled. I've included lyrics with some of my music. If you want to really learn the music and become an entertainer, try singing the lyrics while playing the music. If you can do that, you indeed can entertain people. In addition, if you are interested in improving your memory skills for guitar music, I would recommend reading the book, "Moonwalking with Einstein" by Joshua Foer - especially chapter 8, 'The OK Plateau'. While this book does not directly address how to memorize guitar music, it is an excellent book on general memory skill techniques.

The score is written for guitar in treble clef, key of D major (one sharp), and 3/4 time. It consists of five systems of music. The first system starts with a key signature change from one sharp to two sharps (D major to E major) and a 4-measure introduction. The second system begins at measure 8. The third system begins at measure 13. The fourth system begins at measure 18. The fifth system begins at measure 23. Each system includes a treble clef staff with notes, rests, and fingering numbers (circled). Below the staff, chords are indicated by Roman numerals (IX, VII, X, V, II, III, 3/6BVII, I, 5/6BVII, VII, V, III). The score concludes with a final chord in measure 27.
