Stephan Beneking, award-winning composer, is based in Berlin, Germany. He is one of the most prolific composers of „New Classical“ piano works.

Among his 500+ New Classical Piano Compositions you can find pieces for beginners and piano students as well as for advanced or even professional pianists:

> 100 pieces for beginners and piano students, > 120 Piano Nocturnes, > 80 Valses Melancoliques, > 150 Piano Pieces for One Hand Alone, 50 Petits Reves and various other piano series.

Beneking's original compositions are in neoclassical, classical, romantic, melodic and contemporary modern classical style for piano solo and his music is being played by hobby and professional pianists in many countries.

All scores/sheet music can be downloaded for free on <http://www.beneking.com> to make the music available to all interested pianists.

The unique melodies and melancholy in his pieces attract listeners all over the world, even comparing him with the likes of Chopin, Schuman and Schubert. Pianists appreciate the sudden changes, little surprises and sparkling creativity, that make the pieces enjoyable to play.

Beneking's style of "pure piano" means literally "crafted" piano works, that concentrate on the pure melody aspect, while the omission of any tempo, dynamics and pedal markings gives every pianist the possibility to develop his/her own understanding of the work, thus making every single interpretation an unique piece of art, joint product of composer and pianist.

His most famous works so far are his 3 series with 34 Valses melancoliques, of which the "Valse melancolique No. VIII - le desir eternel" won the international Free-Scores Classical Piano contest in 2013. In 2015 he received the 4th prize in "Piano Solo Classic" with "Dance on icy waters No. 1", and in 2016 Stephan won again on the international Free-Scores contest in two categories - 1st prize in "minimalist piano" with "Petit Reve bizarre No. 23" and 1st prize in "binomial composition" with "The two sides of the Rhine river".

Beneking's classical piano compositions have been publicly performed by various pianists in famous locations around the world, e.g. in New York (Carnegie Hall), London (Royal Albert Hall), Salzburg (Mozarteum), Berlin and in many other cities and countries.

Many of his works are called "Rêves" (dreams) or "Petits Rêves" (dreamlets, little dreams) and refer to relatively short musical ideas, even miniatures, like a short musical "breath". Other works were inspired by Nature (Printemps, Little spring, The last flight of the Cranes, Dances on icy waters), Poetry and Myths (Melusine, Valkyries) or the dramatic events of the Shoah (Holocaust Remembrance Suite with Petr Ginz, Kristallnacht, The Kiss and other works).

Beneking mainly composes in series of works with a certain theme or connection, often in combination with a compositional challenge (e.g. many compositions for one hand alone, piano works on black or white keys only or „La grande Petitesse“).
