4 speakers: 1.3s left front, 2.1s left back, 3.4s right back and 5.5s right front.

1) R.H. (Bow) shows the movement over the strings by the bow, while L.H. shows the position of the fingers on the string. The motion over the string is basically the same from bar 56 to the end.
1) The glissando is played very even, with the same distance between the fingers on string I, II and III from bar 43-47. The bow should be moved more and more aggressive so that it produces extra (high) notes that disappear in bar.

2) Played as the 9, 12 and 16 partial on the G, D and A-string.

3) The rhythm is slowly demolished - more and more notes are not played, by which the rhythm is fragmented and in the end disappear.
