Original Text

Ave, verum corpus
natum de Maria Virgine:
Vere passum, immolatum
in cruce pro homine.
Cuius latus perforatum
unda fluxit et sanguine,
esto nobis praegustatum
in mortis examine.

Hail the true body,
born of the Virgin Mary:
You who truly suffered and were sacrificed
on the cross for the sake of man.
From whose pierced flank
flowed water and blood,
Be a foretaste for us
in the trial of death.
