

*A new method of learning and fingering
the major & minor scales.*

The following arrangement of the Scales are submitted to the favorable notice of Teachers and Students of the Piano-forte. The object is to render their study of easier attainment — a perfect knowledge, of which, is indispensable to insure excellence in playing. The ♠ notes are to be played by the thumb, the ♡ notes by the fingers. As mistakes, almost, invariably occur from passing the thumb in the wrong place; by this method, the student will perceive at once C MAJOR, where the error occurs. This system is equally applicable to the German or English fingering. AUTHOR.

This page of musical notation consists of seven systems of two staves each (treble and bass clef). The music is written in a complex, rhythmic style with many sixteenth and thirty-second notes. The key signature changes throughout the piece, indicated by the chord labels: D, A, E, B, F#, D \flat , A \flat , Eb, B \flat , F, and C. There are several dynamic markings, including '8a' which appears to be a fortissimo or similar intensity marking. The notation includes various articulations such as slurs and accents. At the bottom right of the page, the publisher's name 'Pearson Eng'r.' is printed.
