Roses Red in the Garden.

Roses red in the garden,

Happy birds on the tree,

The voice of June in the breezes,

The busy hum of a bee.

Dear little sunlit garden,

The home of a might have been,

The realm of an uncrown'd empress,

And throne of a blue-eyed queen.

Oh, for the sunlit garden,
Oh, for the roses there,
And you with your feet in the daisies,
And the sun on your golden hair.
