The Bassoon

Quenton Ashlyn

I'm very fond of music, and I think it simply grand,
To listen to the instruments of a full orchestral band.
The cornet and the piccolo to me are quite a boon,
But the one I love the best of all is the good old deep bassoon.

Recit. When it goes ... rich and deep ... Oh what music! ...

Chorus Oh isn't it lovely ... when you hear it go ...
It makes me rejoice when I hear its sweet voice,

Recit. I shall go ... to my love ... 'neath her window ...
Chorus Oh darling I love you so ... and I want you to ...
If you'll be my ... we'll be happy for ...
My own little ...

It does me good if I don't feel well on a Sunday afternoon.
It cures a headache, stops a cold, kills beetles rats and mice,
It's a perfect household remedy and so take my advice.
Recit. Have a dose ... try some ... for the ...

Chorus When you've a slight pain in your ... and you feel rather ...
Just take some ... with a spoonful of ...
and you're cured of your ...
