CONTAINING

## *The Famous Marches of John Philip Sousa*

**T**HERE is no composer in the world with a popularity equal to that of JOHN PHILIP SOUSA. The reason for this overwhelming appeal to the hearts of a planet is not far to seek. The music is conceived in a spirit of high martial zest. It is proud and gay and fierce, thrilled and thrilling with triumphs. Like all great music it is made up of simple elements, woven together by a strong personality. It is not difficult now to write something that sounds more or less like a Sousa march, any more than it is difficult to write parodies, serious or otherwise, on Beethoven, Mozart or Chopin. The glory of Mr. Sousa is that he was the first to write in this style; that he has made himself a style; that he has so stirred the musical world that countless imitators have sprung up after him. Just to name these marches is enough, for they call up many episodes of parade gaiety and jauntiness or warlike fire. The "Liberty Bell," "Manhattan Beach," "Directorate," "King Cotton," "El Capitan," "Bride-Elect;" all are stirring works.
