

Out Of My Mind

VERSE 1

Come closer, baby tell me what is on your mind,
this pretty eyes can drop the stars down the sky,
so you can do with me.

CHORUS

I can't get you out of my mind and I wonder why we're waisting our time,
and I can't get you out of my mind, come on tell me what to do!

VERSE 2

No more time to loose, there is nothing to choose,
we simply start the love.
Come on no hesitate, relax and get away,
there's no more need to stay this way.
