

# **Come Follow Jesus**

Come follow me to the Bethlehem stable.  
Come see the gift God has left in the hay.  
Come and look down on the Babe in the manger.  
Come and meet Jesus, your Savior, today.

## **CHORUS:**

Come and receive Him, your personal Savior.  
Come close and worship; to Jesus we bow.  
Come all you faithful, by faith are you saved.  
Come follow Jesus. He's calling you now.

Come hear a story of God's great salvation.  
Come praise Messiah, God's promise of old.  
Come follow shepherds and kings and a new star.  
Come see a gift of more value than gold.

## **CHORUS**

Come see the Savior who came to redeem you.  
Come and adore Him, the Lord's Son on earth.  
Come and repent and accept God's salvation.  
Come and be given God's grace and new birth.

## **CHORUS**
