

# My Love For You

Amy Potter

♩ = 112

My love for You (God) will ne - ver fail. Now that I've found You I will (Him) stay Be - side You all the way. I love You more each day. Your love has (God's) touched the heart of me. I'm not the same; I've been set free. My life was mys-ter- y, but now You (God holds) hold the key. I need Your (His) love, I al - ways knew, I'd fol - low where You lead me (God leads) to. There's noth - - - ing You can do (man) to keep my heart from want - ing You, My soul from need - ing You. I pledge my love for You.
