## About the artist

I started out learning Brass instruments in my local Brass Band at 11 years old and have been playing ever since in local Brass Bands, Orchestras and Big Band. Arranging music has always been an interest of mine although not very good at it. I like to arrange music for young up and coming players using a range of composers who do not usually compose for Brass Bands and in particular young up and coming Brass players. My biggest regret in life is not having learned to play piano.
