I've Moved

About the artist

I am pretty much self taught in playing piano , and played my first song by ear at age 5. I play both by ear and can read music, and have the ability to add chords as I choose . I have begun writing and scoring music in the past few years. I have sung both in choirs and solo, although in the past few years, I have developed my voice and range, and prefer to sing a capella. I also currently music to mentally challenged people.

Qualification: Unsure, since I am essentially self taught.

I'VE MOVED

I hereby give you notice, that I have moved today.
God just called me home
He planned it that way
Y'all know how I've sent
Timber, panes and sticks
To the chief Architect, Jesus Christ, His Son.

CHORUS

Yeah, I've got me a new home
Right behind Heaven's Gate
Along beside a street of gold
Beyond the silver sea
And I'll be waiting for you
When God calls you home
To move into your own house
Along that golden road.

I know it took years to build
But that's because I've grown
Little sticks weren't strong enough
When I was first reborn
But now my new home's finished
And what a sight to see
It sits along a street of gold, beside a silver sea

CHORUS

Now, I've lived many places
Before my home was built
But believe me there's no other place
Where I would rather be
Here, there's peace and joy, and happiness, complete

I've Moved. (page 2)

No pain, no strife, no discontent,
Everything's just great!
Now, I could carry on, about my new home
But I have to fit for new wings,
So, y'all just carry on
No, I don't have a phone yet
But if you'd like to talk,
Just call God the Father,
The number's in His Holy Book

Chorus X 2, with fade out on the final "Along that golden road".
