Un jour de juillet ((Pour Camille et Laurie))

About the artist

Professor of guitar for 40 years, I wrote several works for my pupils for diverse services (performances). I especially wrote for pupils of 1 cycle because I never found rather easy partitions (scores) for the beginners, I also wrote for the second cycle. Today I put these partitions (scores) on free scores to share with the professors and pupils who look for easy and free partitions (scores). The parts (parties) of guitar support (accompaniment) can be made by the professor or the pupil good métrisant the agreements and the arpeggios.

PS: If possible, as soon as you are ready, make a video of the composition you have chosen and post there on Youtube. I would be very happy to hear new interpretations.
Good music to all.
