About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	Wir danken dir, Gott, wir danken dir (We thank you, God, we thank you), BWV 29, is a sacred cantata by Johann Sebastian Bach. He composed it in Leipzig in 1731 for Ratswechsel, the inauguration of a new town council, and first performed it on 27 August of that year. Bach used the music from the choral movement for both the Gratias agimus tibi and Dona nobis pacem of his Mass in B minor. Bach composed the cantata in 1731 for Ratswechsel, the ina... (more online)
