### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

<b>Comment:</b>	The first book of J. S. Bach's Das Wohltemperierte Klavier (Well-Tempered Clavier) was complete by 1722. Bach gave present title to the work, which was composed for the use practice of musical youth eager to learn and for the amusement of those already skilled in this study. Bach composed a pair of Preludes and Fugue in each of the 24 keys to demonstrate the viability of his new equal-temperament system, which allows one to play in any key. (more online)
