Composer

Greece, New Philadelphia

About the artist

Born and live in Athens, Greece in 1974. Involving with music since 10years of age. Favourite organ the bass guitar, also a little of everything that comes in hand (piano, guitar etc). Used to be the bassist for many years of two local rock bands. As for composing, a little of everything but mainly strings or piano is preferred. As i'm self-learned, your comments will be highly appreciated.
