About the artist

Hello everyone, my name is Jonathan and I have been playing the piano since 2015 (it took me some time to get to it!) When starting the piano, I had this clear idea that I wanted to compose, especially emotional music, though I also want to try different things. I also love making covers as I feel really rewarding to be able to play musics that I love.

As for my compositions, I'd like at some point to add strings to them to make them more emotional and to get closer to my favorite musics: movie scores and video games soundtracks!
