

# Luigi Talarico

Composer, Interpreter, Publisher

France, Santiago du Chili, Bs-Aires

## About the artist

Studied in Conservatoire de Montreuil, France. I made my first step in composition ten years ago moved by the conviction that a piece must move players and those who listen to it, otherwise, it's death word. If you like any of those wroten waves, play it as you want and tell me about your impressions.
