Arranger, Composer, Director, Interpreter, Teacher

## About the artist

I'm a young musician interested in composing and directing. I've composed some soundtracks for short movies, theatre plays and videogames, I've directed some musical theatre plays, and I'm studying choral direction (and practicing with a small choir). Also, I'm studying classical singing (tenor). I'm mostly interested in classical music, specially renaissance and baroque, but I'm mind-opened to near every style and I have no problem in combining modern instrumentations with classical sounds or viceversa. I hope many people can listen to and enjoy my music through this page!
