### About the artist

Since my earliest childhood, music has been the main element in my life. I was barely 6 years old when I joined the Choir School of Little Singers in Nancy, my hometown. Laureate of the Conservatory of Nancy, I opened up to other styles of music variety, jazz. I taught piano and trumpet. Today, I am conducting a mens choir, and I have taken up writing music. I composed a collection of small progressive pieces for piano under the title Moments musicaux. I wrote a trumpet concerto that I dedicated to my teacher with whom I obtained my 1st prize, a Chorale for large organ, as well as a largo for trumpet and large organ. I also approach variety with titles like Ptite femme de rien, Lombre elle, Poussière denfant. Music videos Nostalgia, Japanese dream, My land.

**Copyright:** Copyright © Claude CLEMENT  
**Publisher:** Clément, Claude  
**Instrumentation:** Voice, piano (or organ)  
**Style:** Children  
**Comment:** Here is a title taken from the CD of songs for children: Starfish, sung by Claude. Claudine Marié first wrote the lyrics to the songs Les petits nains and le robot sombre. I put them to music. The children loved these songs, the parents, the audience, the teachers too ..... So why stop there? Claudine took such a pretty pen to write her texts, which my piano seduced, sang under my fingers. Songs perfectly adapted to children from 6 to 11 yea... (more online)
