Musical moment n ° 4 In small steps (À petits pas)

About the artist

Since my earliest childhood, music has been the main element in my life. I was barely 6 years old when I joined the Choir School of Little Singers in Nancy, my hometown. Laureate of the Conservatory of Nancy, I opened up to other styles of music variety, jazz. I taught piano and trumpet. Today, I am conducting a mens choir, and I have taken up writing music. I composed a collection of small progressive pieces for piano under the title Moments musicaux. I wrote a trumpet concerto that I dedicated to my teacher with whom I obtained my 1st prize, a Chorale for large organ, as well as a largo for trumpet and large organ. I also approach variety with titles like Ptite femme de rien, Lombre elle, Poussière denfant. Music videos Nostalgia, Japanese dream, My land.
