About the artist

Hello, I'm a teacher in Primary School and an amateur guitarist. Passion for music incited me to elaborate arrangements to make music much easier to play for non-professional musicians like me. In fact I wrote a large number of scores of musical pieces in public domain that can be played by a single or a couple of beginners. I hope that it will be useful for someone. Good luck and... good music!!!

Comment: "Caminito" è una canzone/tango argentina del 1926 composta da Juan de Dios Filiberto con il testo di Gabimo Coria Penalzoa. Il titolo, che significa "stradina", si riferisce al nome di una via del quartiere popolare La Boca di Buenos Aires, dove il protagonista della canzone dice che non vede più passare la donna di cui si era innamorato.
