Comment: Melodia de uma Noite, (Melody of a night) by Silvestre Fonseca, is as pretty tune as you could want to listen too. As the title suggest images of night time experiences, I set out not only to do this score justice but a background film on Youtube, inspired by the music. I have attempted to tell a pictorial story matching the mood of the music to the emotion of the film despite my guitar playing which needed some editing. Either way I hope you enj... (more online)
