Vive le vent variation XIII

About the artist

When i was young, i had the chance to fall in the music. Studied piano and violin , and studies in musicology at Grenoble. I am accompanist and solo piano teacher . I love composing or arranging , including choirs . I have the opportunity and joy of running a traditional choir and a choir "popular" . Music is a bottomless pit ; it brings together our loneliness , made me grow every day and leaves me feeling remain an eternal apprentice.
