## 5. Leap Frog (from Little Suite 7 for piano)

### About the artist

I studied Music History at university and furthered my studies by doing a thesis around English Reformation Lute Music. Composition skills developed over the years by being a high school music teacher with not much money for music resources so I created my own resources. I am retired now without capable student instrumentalists to play the pieces, but I enjoy getting lost in the creative process and being part of the Free-scores community.

**Qualification:** LTCL. Masters degree.
