About the artist

I have always been a secret composer - too scared to share my creations. Even at university I took Music History rather than Composition lest someone hear my compositions and think they were not up to standard. I am now in my seventies and have little to lose. I shall post compositions mainly for piano, but sometimes for other instruments as well. Perhaps someone somewhere will enjoy one or two of them. I am not sure I will be able to locate a lot of my music - like a lot of Bach its been lost to history - possibly fortunately...
Thanks
