## About the artist

Young passionate of music, playing a lot of instruments. I hope my scores will be useful to you. I really like the duets, trios or quartets for wind instruments. I gave me challenge write at least one score by instrument and by genre. I enjoy to play everything, from rockn roll to baroque music and I write songs too. I actually help the composer Vladan Kuzmanovic to transcribe scores. Dont hesitate, if, like him, you need help.
