### About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

<b>Comment:</b>	Edvard Hagerup Grieg (1843 – 1907) was a Norwegian pianist. He is widely considered one of the leading composers, and his music is part of the standard classical repertoire worldwide. His use and development of Norwegian folk music in his own compositions brought the music of Norway to international consciousness, as well as helping to develop a national identity, as Jean Sibelius and Bedrich Smetana did in Finland.
