I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music. I am relearning the piano and my first love; the pipe organ. I am active in our church (the Sierra Vista United Methodist Church: (http://www.lovesvumc.com/lovesvumc/Welcome.html) and am eager to provide spiritual sustenance such as harp, organ and handbells arrangements.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accomodate your specific needs.
