

Regis Gronoff

France, Argenteuil

A Single Blade of Grass (A Simple Blade of Grass)

About the artist

Born in 1964, I took piano classes in my childhood, then later I turned to folk and electric guitar. I then attended jazz harmony and composition classes with a Berklee teacher in Paris and started writing music and playing keyboards in the mid-90s, interested by the developments of computer aided music to build realistic and complex arrangements easily.
