About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment:	Georg Friedrich Händel (1685 – 1759) was a true European. He had a German work ethic, Italian passion and a Dutch head for business. And after training in Germany and Italy, from 1711 he went on to win the hearts of the British. He wooed them with his many operas and oratorios, and with instrumental works like his Water Music and Music for the Royal Fireworks. Yet during his lifetime, he was renowned not only as an organist, but also as one of t... (more online)
