

Edmond Williams BATEKY BATEKY

Arranger, Composer, Director, Interpreter

Cameroon

About the artist

I am a young passionate of music and especially of Christian music. As a choirmaster in several choirs, I am also a composer and arranger of several songs. I also play piano and saxophone. I have a challenge is to make a modest contribution to the evolution of musical science by helping to make known to the world the compositions made by Africans for the happiness of humanity.
