## Rainy night on Olympus Mons road

### About the artist

I'm a piano teacher for more than 30 years (mostly modern music) so, most of my compositions and arrangements have been done for my students which explains the great diversity of my works.

### About the piece

**Title:** Rainy night on Olympus Mons road  
**Composer:** Laurent, Buczek  
**Arranger:** Laurent, Buczek  
**Copyright:** Copyright © Buczek Laurent  
**Publisher:** Laurent, Buczek  
**Instrumentation:** Piano solo  
**Style:** Modern classical  
**Comment:** This piece of music is part of the 5th martian serie which means it's first purpose is to push mechanical work of your fingers. Here the purpose is to work the five fingers right hand on five consecutive notes. Be careful on the main repetitive phrase, the problem will be to put the same force on each finger (3-4-5 won't be louder than the 1 and 2 which is usually the case in this type of phrase).
