Arranger, Composer

Germany

About the artist

I was born in 1951 and live in Germany. My first musical influences came from Rock & Roll and the music from the Beatles era. Later I turned towards classical music and studied music in Frankfurt/Main. At the same time I played in non-professional rock groups.

My profession was teacher for music and physics at a grammar school up to my retirement in 2012.

My Instruments are flute (formerly), piano and guitar. My musical background lies somewhere between rock music, jazz and classical music. In my compositions I try to unite these stiles.

Another focus of my work are note-for-note transcriptions of jazz and pop pieces. Unfortunately they cannot be posted here due to copyright restrictions. Please contact me if you are interested.
