About the artist

Born in 1981, in the Democratic Republic of Congo (DRC), technical director, composer, harmonist and instrumentalist. At the beginning, I composed and harmonized as an autodidact for my choir, and after having followed some musical formations and especially on harmony and working side by side and in collaboration with some composers and professors of music, I decided to compose for the entire Catholic Christian community. I also compose and occasionally harmonize the gospel, popular and classical songs that I would like to share with you artist friends
